The Organizing Committee is pleased to invite you to the **2nd Joint EPR School** organized by the Italian and French Electron Magnetic Resonance Groups, **GIRSE** and **ARPE**. The first edition was held in Marseille in 2018.

The second edition will be held in the thermal area of **Montegrotto Terme**, close to Padova, Italy.

We are looking forward to seeing you.

TOPICS:

- Introduction to EPR
- [EPR in liquids](#)
- Anisotropic Interactions
- [EPR in solids](#)
- Pulse EPR primer
- [Hyperfine EPR spectroscopy](#)
- DEER
- [Instrumentation](#)
- Spectral Simulations
- [Applications in Chemistry, Physics, Biology](#)
- [Practicals](#)

KEY DATES:

February 2020: Second Circular

March 2020: Opening of Registration

The *school* will take place in the beautiful spaces of **Hotel Petrarca Terme** in Montegrotto.

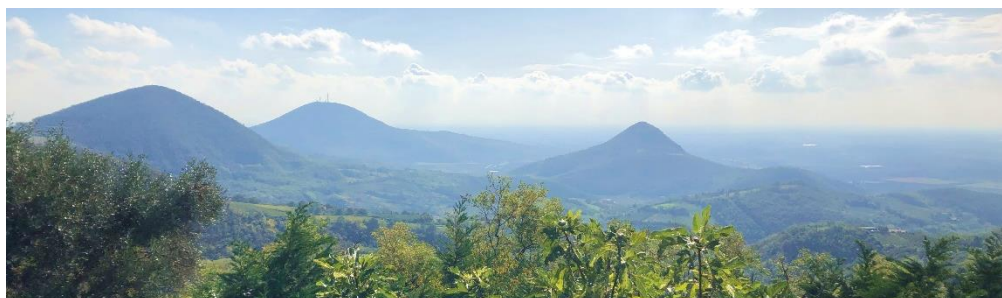

The hotel will host the lessons, and full board will be provided.

<https://www.hotelpetrarca.it/>

The *practicals* will be held at the **Department of Chemical Sciences at the University of Padova**. You will be guided by our staff in tailored experiences that will show you EPR spectroscopy both from the practical and the computational point of view.
